You're smart.
 You're stylish. And if you are anything like we were, you're also drowning in debt. Hosted by the **Smart Cookies** -- who've "been there" and triumphed -- this new television series will satisfy your craving to really have it all. **The Smart Cookies** reveal how to afford the life and the things you really want, while conquering your debt without sacrificing your sanity - or your social life.

Smart, inspiring, and offering a fresh perspective, each episode has all the ingredients to help you find more money in your life -- like the "Bite-size Cookies" -- tasty little segments that serve up top tips on everything from online shopping to investing in stocks. **Smart Cookies** also offers fast paced money saving tips on everything from buying art, negotiating a raise, to starting your own home based business. So whether you're dreaming of a beach vacation, a home makeover or a pair of Jimmy Choo's, this energizing series will make your financial goals attainable with the **Smart Cookies'** proven recipe of sugar, spice and killer advice.
